We've just Begun

DALE 1992

Throughout the world, from the breakaway republics of the U.S.S.R., to the graduating seniors of Hopedale High School, there are new starts being made. We are all experiencing new freedoms, and indeed, a new life. As members of the class of 1992, we can look back on all of our accomplishments with a sense of pride. But those accomplishments are just a taste of what is to come. They are just our beginning. That is why, we the Class of 1992, have chosen "We've only just begun . . ." as the theme of the Dale 1992.

Our motto demonstrates our progress from the kindergarten scribble, representing our beginning, to the calligraphy, representing the refinement we hope the future holds. We have a bright future ahead of us, and we thank our families, teachers and friends for the solid foundation they have provided us to reach and enjoy that future.

Dedication

Although not having a permanent position during our years at Hopedale High School, Ms. Rose has been a valuable asset to our educational experience. In her, we see the values of hard work, dedication, and most of all, loyalty.

Ms. Rose began teaching math at Hopedale High School in 1955. She continued teaching until her retirement in 1974, the year the Class of 1992 was born! However, her teaching career was far from over. Over the past eighteen years, Ms. Rose has offered her valuable services as a substitute teacher, often working free of charge throughout the hard times Hopedale High School faced last year.

Even today, at the age of eighty - one, Ms. Rose continues to be an inspiration to the entire student body and the faculty. Therefore, we the Class of 1992, dedicate the *Dale '92* to Ms. Florence Rose.

Class Officers

Pres.-Jennifer Anderson

Senior year has brought a lot of good times to the Class of 1992, and a lot of hard work as well. With the countless hours of planning required for successful fundraisers and class activities, our class officers have been very busy trying to make this year our best one. While class participation has not been high, our class officers, President-Jennifer Anderson, Vice-President-Andrea Reickert, Treasurer-Scott Conlin, and Secretary-Lianne Speroni, along with our class advisor-Mr. Nicholson have continued to push for success. Whether it is planning and working on our on our wall for the pep rally or making arrangements for the prom, our officers have been dedicated to ensuring a pleasurable outcome for all members of the Class of 1992.

New Faces

The 1991-1992 school year has brought five new faces to the classrooms of Hopedale High. Due to funding from the Proposition 2½ override, the Home Economics and Industrial Arts program were included in the new budget, as well as a new band director and a new math and foreign language teacher.

After one year without Home Economics and Industrial Arts, the school was delighted to be able to reinstitute these courses. Both Mrs. Nueding and Mr. Gautreau are working to make our new Home Economics and Industrial Arts programs the best they can be.

Hopedale High has had a hard time finding a permanent band director, but this year we have been lucky to find Mr. Bettencourt, who is extremely enthusiastic and dedicated to our music department. His new and innovative ideas have already resulted in enjoyable band recitals and concerts.

The newest addition to our math department is Ms. Anderson. We are sure that Ms. Anderson will maintain the level of excellence that our math department is known for.

And finally, the addition of Mrs. Paul to the staff has resulted in the reinstitution of Latin I and Latin II into our cirriculum. She has also brought many fresh and new approaches to the study of foreign languages.

The class of 1992 would like to welcome all of our new teachers to Hopedale High School.

Field Hockey

The 1991 field hockey team continued its winning ways with yet another undefeated, regular season. Behind the play of all-stars Andrea Reickert, Alison Grady, and Crissy Derderian, the field hockey team brought its regular season winning streak to 62 games. Seniors Donna Draper and Liane Speroni helped the team advance as far as the district finals, where it fell at the hands of eventual state champion Quabbin. However, this could not diminish the season, which was highlighted with a fifth consecutive Dual Valley Conference title.

Soccer

The 1991 soccer team finished the season with a 9-6-2 record and a tournament birth. Led by perennial all-star Jason Bucell and the hard-nosed play of Joel Warren, the soccer team posted its most successful season on record. Coach Whitten finally got the season he had been waiting for with the help of all-stars Tim Mooradian, Josh Pimentel, Brian Tattrie and seniors Chris Tattrie, Ceasar Priefert, Jason Ferriter and David Diaz. Though the season ended with a heart breaking loss to rival Nipmuc, it was highlighted with a first-time victory over Sutton and exciting play throughout the year.

Cross Country

First the Soviet Union falls. Then the Cross Country team receives new uniforms! What's next? The 1991 Cross Country team was led by senior co-captains Adam Melenkivitz and Tim Hayes. Tim and Adam are both stoic runners with a lot of heart. First year runner, Junior Jim Milanoski always had a smile on his face and quickly became Hopedale's top runner. Senior Peter Drugan, Sophomore Heath Wickline, and eighth grader Peter Luckraft all came through for Hopedale in some big wins and often set the pace for the top runners. The entire team is grateful to Coasch D'Urso for pushing each member to reach his potential all year long.

Girls Basketball

This year was a rebuilding year for the Girls Varsity Basketball team. Led by lone senior, all-star Crissy Derdarian, the team showed flashes of brilliance at times. Along with Derdarian, Juniors Alison Grady, Shannon Connor, Meagan Farrer, and Ali Wood all played key roles throughout the season. Sophomores Jen Paturzo and Mandy Hourihan as well as Freshman, Jen Luckraft were also invaluable. With four starters returning and an undefeated Girls Junior Varsity squad, next year's season looks promising.

Softball '91

The 1991 Hopedale High School Girls Softball Team had another outstanding year with an undefeated league record of 14-0-0 and a Dual Valley Championship. The team was lead by seniors Julie Vignone, Michelle Crandall, Tricia Hill, Tricia Reed, Tara Sparkes, and Laura Rojas. Junior Andrea Reickert at second base and Sophomore Alison Grady at first base both had outstanding seasons to compliment the play of the veteran seniors. The girls blasted their opponents by scoring over twenty runs in four different games. The team could not have won their league without their inspiring coach Mr. Whitten, who never failed to reiterate his favorite motto "Dedication, sacrifice, committment," to his girls.

Baseball '91

The 1991 Hopedale High School Baseball Team was filled with many characters. Although the season's record was disappointing, there were plenty of good times and laughs. There was never a dull moment with the likes of Mike McGrath Mike Lefrancois, Scott Lemon, and Jamie Volpicelli. Let us not forget about our coach Joe Small, who added his humor to the baseball field. Aside from the humor, the players of the team learned a great deal about baseball from Coach Small and played their hearts out for him. As Coach always said, there is a time for laughs and there is a time to get down to business. The business was done on the field and in the gym throughout the spring under the strict scrutiny of Coach Small. Hopefully the hard work will pay off in the '92 season. A sincere thanks to Coach Small for making Hopedale baseball a great experience.

Boys Basketball

This years Boys Varsity Basketball team has had a tough act to follow. Last year's team posted a 19-5 record as well as a Clark Tournament and Central Mass. Championship. Though this year's squad lost a few early season games, the Senior leadership of Chris Tattrie, Tim Mooradian, Jason Bucell, Dan Antonellis, and Kevin Milhomme, as well as the excellent play of sophomores Brian Reickert and Brian Tattrie, pulled the team's final score tally up to a respectable one, 14 wins-6 losses, and ended the season with play in the Clark Tournament and the Districts. As the Clark Tournament and the Disricts approach the team is poised to make a surge at the championships that are ahead. Hopedale has once again proved that it is a force to be reckoned with throughout the state in Boys Basketball.

Golf '91

The 1991 Golf Team overcame a rough start to finish with a 9-5 record and a third straight district berth. Behind the play of all-star Tim Moooradian and Seniors Todd Mikolaycik and Marc DiPietro the defending TVL tournament champs finished in third place in the league and were runners-up in the TVL tournament. After losing four of the first five matches, the team bounced back by winning eight of their last nine, including five in a row. Things look good for the '92 team with most of the squad returning. Along with Mooradian, veteran scorers Jamie Abbruzzesse, Jason Potty, Jason McCallum, Greg Tatro, and Peter Luckraft will all be back for another year on the links.

"Youth is not a time of life, it is a state of mind, a product of the imagination, a vigor of the emotions, a predominance of courage over timidity - an appetite for adventure." (Unknown)
